

# HUNTING

Welcome to Elk country! The Heber/ Overgaard area is home to some of the best hunting Arizona has to offer. Situated at the intersection of at least three public hunt units, All Season Lodge is the perfect place to plan your trophy Elk hunt and relax afterwards. Even if you didn't get drawn for Elk, there are a number of other species available from Mountain Lion to Cotton Tailed rabbit. Many times, "Over the Counter" tags are available for Bear, Javelina and other species. Check with the Arizona Fish and Game Department for details.

The lodge has enough room to support your entire hunting party. The Safari Room has provisions for storing your rifles either in a display case or in a secure vault. Have your "Cookie" burn some steaks on the outside grill while you enjoy a sundowner from the bar and relax at one of the two wood burning fireplaces.

Simply put, this is the nicest base camp in the area for a hunting expedition.
